

Cable Tray Companies in West Asia

AI Overview

Several Asian cable tray manufacturers supply products to West Asia, offering high-quality, durable, and customizable solutions for industrial and infrastructure projects. Key Manufacturers and Exporters

Tianhong Cable Tray (China) Shandong Tianhong Electric Power Technology Co., Ltd. specializes in perforated trays, cable ladders, wire mesh trays, and custom solutions. They have a 30,000² facility and export to over 30 countries, including the Middle East, making them a reliable supplier for West Asian projects.

JP Shine Electrical & Controls Pvt Ltd (India) JP Shine manufactures perforated, ladder, and wire mesh cable trays, offering customized solutions for power plants, IT, and construction sectors. Their products comply with international standards and are suitable for export to West Asia.

Brilltech Engineers Pvt. Ltd. (India) Brilltech provides galvanized steel, stainless steel, and fiberglass cable trays. They focus on durability, safety, and regulatory compliance, and support system design and installation, making them a strong option for West Asian clients.

Other Asian Manufacturers Companies in Indonesia, Malaysia, Vietnam, and the Philippines also produce high-quality cable trays suitable for export. Examples include **Jaya Bersama Sentosa (JBS)** and **Baja Karya (BAKA)** in Indonesia, known for heavy-duty and corrosion-resistant trays.

Considerations for West Asia

Material Selection: Stainless steel and galvanized steel are preferred for hot and humid climates common in West Asia.

Compliance: Ensure the manufacturer meets ISO or regional standards for safety and durability.

Customization: Many manufacturers offer OEM/ODM services to tailor trays for specific project requirements.

Distribution: Check if the manufacturer has logistics support or distributors in West Asia to reduce lead times.

By choosing reputable Asian manufacturers with export experience, companies in West Asia can access cost-effective, high-quality cable tray solutions suitable for industrial, commercial, and infrastructure applications.
