

Cambodia Fiber Optic Connector Price Inquiry

AI Overview

Fiber optic cable prices in Cambodia start from approximately \$0.50 per meter, with variations depending on core count, length, and supplier. Retail Prices Local suppliers in Phnom Penh offer a range of fiber optic cables at competitive prices. For example, Bolein Cambodia lists prices for different types of cables: 1-core 1 km rolls, 2-core 1 km rolls, 4-core 1 km rolls, 4-core 4 km rolls, 8-core 4 km rolls, and 24-core 4 km rolls, with prices starting around \$0.50 per meter for basic single-core cables (contact via boleincambodia@gmail.com or Telegram 087 258 xxx) . Shorter pre-terminated cables, such as 20-meter SC APC M/M multimode cables, are also available from retailers like PTC Computer for smaller-scale setups . Service Providers and Infrastructure For larger-scale or enterprise-level fiber optic deployment, companies like Telcotech Ltd provide extensive fiber optic infrastructure across Cambodia. Telcotech operates a 30,000-kilometer fiber optic network with international connections via terrestrial and submarine cables, offering high service availability and redundancy. They are part of the AAG & MCT Submarine Cable Consortiums and provide both installation and network services for businesses and telecom operators . Another provider, SINET, offers dedicated fiber internet services suitable for businesses requiring high-speed and stable connectivity . Considerations Cable type and core count: Prices vary significantly depending on whether the cable is single-mode or multi-mode, and the number of cores (1, 2, 4, 8, 24). Length: Longer rolls (e.g., 4 km) are more cost-effective per meter than shorter rolls. Installation and service: For enterprise or commercial use, the cost of installation and network integration should be considered in addition to the cable price. For accurate pricing and availability, it is recommended to contact suppliers directly or request a quote f...
