

Chad Fiber Optic Communication Exhibition 2025

Overview

Scheduled from December 15 to 18, 2025, the workshop aims to strengthen knowledge of existing fiber-optic networks, promote investment, improve network planning, and foster universal connectivity across Africa. ISCU is a recently established member organization which aims to promote. The ECOC Exhibition is Europe's largest exhibition in the fibre optic communication technology industry and in 2019, will once again showcase the latest products and services as well as providing an unrivalled opportunity to meet and network with key suppliers and industry leaders. The 2025 Optical Fiber Communication Conference and Exhibition (OFC) will spotlight more than 600 global exhibitors – from global technology leaders to emerging innovators – Exhibition: 01 – 03 April (Technical Conference: 30 March – 03 April) in San Francisco's Moscone Center. A platform for experts in Optical Imaging and Sensing and Signal Processing to share research.
