

Denmark cable tray manufacturing company

AI Overview

Denmark hosts several reputable cable tray manufacturers, including SILTEC, Jeetmull Jaichandlall, Brilltech Engineers, and DKC Europe, offering stainless steel, galvanized, and custom cable tray solutions. Key Manufacturers

SILTEC specializes in high-quality stainless steel cable trays that resist corrosion and are gentle on cables and tubes. Their trays come in lengths of 3000 mm, widths from 25 mm to 600 mm, and heights from 25 mm to 125 mm, with custom sizes available. They offer patented lockable trays for easy cable access, compact trays for light cabling, and heavy-duty trays for large-scale installations. SILTEC also provides solutions for industries with stringent hygiene requirements, such as food and chemical sectors, and has over 30 years of experience in cable routing systems in Denmark and globally.

Jeetmull Jaichandlall This manufacturer provides versatile cable trays in various sizes, shapes, and colors, suitable for multiple sectors. Their products are made from durable materials, resistant to impact and wear, and designed for good ventilation and visibility. They emphasize high-quality finishing and adherence to industry standards, making them a reliable choice for both domestic and international clients.

Brilltech Engineers Pvt. Ltd Brilltech offers galvanized and ladder cable trays with robust construction and corrosion resistance. Their trays are widely used in electrical, automotive, and construction industries. They provide customization options for size, material, and length, ensuring solutions tailored to specific industrial and commercial needs. Brilltech also exports to Africa and the Middle East, highlighting their global reach.

DKC Europe DKC Europe is a leading provider of comprehensive cable tray systems and energy protection solutions for civil and industrial infrastructures. They focus on transport, distribution, and protect...
