

Ecuadorian Fireproof Stainless Steel Cable Tray Manufacturer

AI Overview

Top manufacturers in Ecuador for stainless steel cable trays include Brilltech Engineers and Jeetmull Jaichandlall, offering fire-resistant and industrial-grade solutions. Leading Manufacturer Brilltech Engineers Pvt. Ltd. is a trusted supplier in Ecuador, providing a wide range of cable trays including stainless steel, ladder, perforated, and PVC types. They focus on customized solutions for residential, commercial, and industrial sectors, ensuring high-quality manufacturing and timely delivery. Their products are designed to meet industry standards and can be tailored for fire-resistant applications. Jeetmull Jaichandlall (P) Ltd. specializes in stainless steel cable trays and is recognized among the top 10 manufacturers and exporters in Ecuador. They offer trays in various sizes, shapes, and finishes, with a focus on durability, impact resistance, and compliance with industry standards. Their on-site manufacturing facility uses modern equipment to ensure high-quality, fire-resistant cable management solutions.

Product Features

Materials: Stainless steel grades such as SS304, SS316, and SS316L, suitable for corrosive environments and fire-resistant applications.

Surface Treatments: Options include hot-dipped galvanizing, powder coating, and electrolytic polishing for enhanced durability and fire resistance.

Designs: Ladder, perforated, and trough-type cable trays with closed or ventilated structures to protect cables from external damage.

Capacity: Manufacturers can supply bulk orders, with production capabilities up to 40,000 meters per day.

Fire-Resistant Options For projects requiring fireproof cable paths, specialized fire-resistant cable trays are available. These trays are designed for surface cable laying and can be constructed as standard or lightweight paths, ensuring safety and compliance with fire safety regulations.
