

# Factory cable tray prices are affordable

## AI Overview

For the lowest prices on cable trays, bulk suppliers like Weifang Guqiang and Guangdong Lianbiao offer highly cost-effective options, with prices as low as \$0.96 per meter for large orders.

**Key Low-Cost Suppliers**

- Weifang Guqiang:** Offers perforated and wire mesh cable trays at \$0.96 per meter for orders exceeding 10,000 meters, making it one of the most affordable options for large-scale projects.
- Guangdong Lianbiao:** Provides bulk cable trays at \$1.50 per meter for 2,000 meters or more, suitable for medium-sized industrial orders.
- Langfang Zhushan and Ningbo Lepin:** Known for competitive pricing and reliability, often used by Fortune 500 companies.

**Platforms for Price Comparison**

- Alibaba:** Lists CE-certified steel, aluminum, and stainless steel trays from multiple manufacturers, allowing buyers to compare prices, materials, and bulk discounts.
- B2B Marketplaces (Tradewheel, ThomasNet, Europages):** Enable direct communication with international and local suppliers, offering customized trays at low prices and extended warranties.
- Ekabel24:** Offers high-quality European-standard trays, including galvanized steel and halogen-free plastic, with pricing dependent on order size and material.

**Tips for Securing the Best Price**

- Order in Bulk:** Lower per-meter prices are often available for large quantities.
- Compare Materials:** Galvanized steel and wire mesh trays are generally cheaper than stainless steel or FRP trays.
- Check MOQs:** Some suppliers require minimum order quantities to access the lowest rates.
- Negotiate Directly:** Contacting manufacturers through B2B platforms can yield discounts and customized pricing.

By focusing on suppliers like Weifang Guqiang and Guangdong Lianbiao and leveraging B2B marketplaces, buyers can secure the cheapest cable trays without compromising on quality or delivery reliability.
