

Ghana produces mesh cable trays

AI Overview

Ghana produces and supplies high-quality galvanized wire mesh cable trays through several local manufacturers and distributors. Local Manufacturers and Suppliers Jeetmull Jaichandlall (P) Ltd. This company is a trusted manufacturer of galvanized cable trays in Ghana, offering products in various sizes, shapes, and colors. Their trays are made with durable wire mesh, resistant to impact and deformation, suitable for construction, mining, automotive, and industrial applications. The company emphasizes quality control and adherence to industry standards, ensuring reliable performance for electrical and structural installations.

Cosmos Cable Electrical Ghana Limited Cosmos Cable provides galvanized cable trays designed for organized and safe cable management. Their products are engineered for durability and easy installation, supporting both commercial and industrial electrical systems.

Electrical Supplies Ghana They offer galvanized wire mesh cable trays measuring 100 mm wide, 50 mm high, and 3000 mm long, fabricated with a robust 4.8 mm wire diameter. These trays are suitable for efficient cable routing, ventilation, and protection in electrical installations.

Applications and Benefits

Durability and Load Resistance: The wire mesh construction allows trays to withstand heavy loads and resist wear over time.

Ventilation and Visibility: Open mesh design ensures airflow, preventing heat buildup around cables.

Security and Safety: Mesh trays can act as barriers to restrict access and protect cables from damage or tampering.

Versatility: They can be adapted for various industrial, commercial, and construction applications, including filtration, separation, and structural reinforcement.

Conclusion Ghana has a well-established market for mesh cable trays, with local manufacturers providing high-quality galvanized options suitable for diverse industrial and electrical applications. Buyers can choose from a range of sizes and specifications to meet specific project requirements, ensuring both safety and...
