

H3C 48-port PoE switch with 50 Gigabit optical ports

Overview

The H3C S5048PV5-EI-PWR is a high-performance, enterprise-level network switch designed to meet the needs of modern businesses. Featuring 48 Gigabit power over Ethernet (PoE) ports plus 4 additional Gigabit fiber ports, this switch offers exceptional versatility and power. With a robust 370W power. Based on the industry-leading 400 G platform, H3C S12500R supports a maximum 48-port 400 G forwarding performance in a single slot. For intelligent ultra-wideband cloud data center, full-scenario data center products and. H3C S5850 series switches are data center-level high-density Ethernet switch products independently developed by H3C. The S5850 series switches are specially designed for data centers, supporting rich data center features, dual power supplies, dual fans, front and rear air ducts. Featuring VLAN, ACL, QoS, static routing, and simple Web/CLI O&M, it. Packaging Details:1. DHL / UPS / FedEx / TNT, Door-to-Door. By Air or by Sea, for FCL; Airport/ Port receiving. Customers Specifying Freight Forwarders or Negotiable Shipping Methods. TFC is one-stop supplier for quality new, used and.
