

Indoor Fiber Optic Cable Sales Company

AI Overview

Top manufacturers for indoor fiber optic cables include TTI Fiber, Riteoptic, UnitekFiber, and Hedot, offering a range of single-mode, multimode, and customizable indoor solutions. Leading Manufacturers TTI Fiber produces a wide range of indoor fiber optic cables, including simplex and duplex tight-buffer cords, multi-fiber distribution cables, and breakout cables. Their products are available in single-mode OS2 and multimode OM1-OM5 fibers, with LSZH or PVC jackets suitable for plenum spaces, risers, and public buildings. TTI Fiber supports custom fiber counts, special jacket colors, and cut-to-length orders, making them ideal for contractors and enterprise networks. Riteoptic specializes in indoor fiber optic cables for horizontal and vertical backbone subsystems. Their cables are fireproofed, resistant to mechanical stress, and have a small bend radius for easy vertical installation. They offer simplex flexible cables, figure-8 double cores, flat double cores, and multiple-core micro cables, with OEM/ODM services for customized solutions. UnitekFiber manufactures both indoor and outdoor fiber optic cables, MPO/MTP patch cords, fiber optic patch panels, and SFP optical transceivers. Their products are widely used in 4G/5G networks, data centers, and cloud computing applications, providing reliable and cost-effective solutions for enterprise and telecom environments. Hedot offers indoor fiber optic cables for building wiring, including bow-type and standard indoor cables. They provide wholesale options and bulk pricing for large-scale installations.

Key Features to Consider

- Fiber Type:** Single-mode (OS2) or multimode (OM1-OM5)
- Jacket Material:** LSZH for low smoke and fire safety, PVC for standard indoor use
- Cable Structure:** Simplex, duplex, breakout, figure-8, or multi-core
- Customization:** OEM/ODM services, custom fiber counts, jacket colors, and cut-to-length options
- Compliance:** Flame propagation and smoke density standards for plenum and riser spaces

These manufacturers provide a variety of indoor fiber optic...
