

Lc fiber optic patch cord clip

Overview

Clip to connect two simplex-connectors LC. The clip can be mounted without further tools and requires no glue. The use with 2 simplex plugs is not possible, because they have a. Check each product page for other buying options. Panduit LC Connector Lock-In Duplex Clip secures connections to reduce network downtime, data security breaches, and hardware replacement due to theft. These patch cords are available in both riser (OFNR) and low smoke zero halogen (LSZH) rated jacket materials along with OM1, OM3, OM4, OM4+ Signature Core™, OM5, and OS2 fiber types. They are 100% meeting all OM3 standards. The uniboot design allows one cable to carry two fibers. With our state of art testing equipment, refined polishing machine, advanced polishing procedure and a group of experienced technicians, we make reliable and top quality patchcord at an attractive price. Every patchcord supplied by Go4Fiber is guaranteed to be well polished and exceeds the industry. These handy duplex clips can be used to join two individual LC connectors together to become a duplex assembly.
