

Middle East Wall-Mounted Network Cabinet Manufacturer

AI Overview

Leading wall-mounted network cabinet manufacturers in the Middle East include Norden Communication, Prolux International, IT World Trading, Hitech Metal Industries, and AI Datahub, offering standards-compliant, customizable solutions for commercial and industrial applications. Key Manufacturers and Suppliers

1. Norden Communication (UAE) Norden offers a range of wall-mounted cabinets suitable for home, office, and telecom environments. Their products comply with ANSI/EIA, RS-310-D, IEC297-2, DIN41491, DIN41494, GB/T3047.2-92, and ETSI standards. Cabinets feature welded structures with electrostatic powder-coated finishes, available in flush-mount and recessed types, including IP65-rated models for external telecom use. Norden emphasizes easy installation and maintenance, providing options for glass or metal doors and multiple sizes to suit different applications.
2. Prolux International LLC (UAE) Prolux supplies wall-mounted and flush-mounted cabinets for commercial and industrial telecom projects. Their cabinets are Etisalat & Du certified, robust, and customizable in dimensions and structure. They offer toughened glass front doors, ventilation options, and compliance with international standards such as ANSI/EIA, RS-310-D, IEC297-2, DIN41491, DIN41494, GB/T3047.2-92, and ETSI. Prolux also provides integrated power solutions and accessories for network infrastructure.
3. IT World Trading (Dubai, UAE) IT World Trading provides compact wall-mount units and full-size server racks designed for high durability, efficient ventilation, and smart cable management. Their cabinets are suitable for office setups and large-scale data centers, with guidance on load capacity, cooling, and scalability. They focus on timely delivery, high-quality construction, and reliable network infrastructure solutions.
4. Hitech Metal Industri...
