

Network communication cabinets manufactured in Azerbaijan

AI Overview

Azerbaijan offers a range of locally manufactured network communication cabinets, including wall-mounted, free-standing, and data center racks from companies like Mirsan Rack, ERC Azerbaijan, and PowerTech Ltd.

Key Manufacturers and Suppliers

Mirsan Rack is a leading Azerbaijani manufacturer of 19" rack cabinets, server and data center cabinets, indoor/outdoor telecom field cabinets, and fiber optic boxes. They provide high-quality products with fast delivery, post-sales support, and innovative designs that maximize internal volume usage in 19" cabinets. Their GT series free-standing cabinets are fully manufactured locally and suitable for modern network infrastructure. ERC Azerbaijan offers the Com-Box series wall-mounted cabinets, such as the Mirsan 9U Com-Box, which is compact, easy to transport, and designed for server and network equipment. These cabinets are noted for structural strength, ease of maintenance, and competitive pricing. PowerTech Ltd. supplies a wide range of network and telecom enclosures, including 19" racks, indoor/outdoor telecom cabinets, and custom solutions for LAN/WAN/MAN networks. They also provide end-to-end infrastructure support, from cabling to active networking equipment. Telcon MMC distributes network cabinets from brands like Dahua and ITK, offering wall-mounted and floor-standing 19" cabinets in various sizes (e.g., 6U, 9U, 12U, 15U, 18U) with features such as tempered glass doors, lockable panels, and IP20 protection.

Product Types and Features

Wall-mounted cabinets: Compact 4U-15U sizes, tempered glass or metal doors, easy-to-remove side panels, suitable for office, classroom, or corridor installations.

Free-standing cabinets: 19" GT series racks, optimized for server rooms and data centers, maximizing internal volume and supporting heavy equipment.

Outdoor cabinets: Weather-resistant encl...
