

New Zealand Cable Tray Installation Manufacturer

AI Overview

Key cable tray manufacturers in New Zealand include Tilley & Patton Ltd, Steel & Tube, FDG, and Ideal Electrical Suppliers, offering a wide range of standard and custom cable containment solutions. Tilley & Patton Ltd specializes in sheetmetal products and cable support systems, providing both standard and custom-designed cable trays. Their in-house Tech Centre uses SolidWorks and AutoCAD for precision design, and they employ CNC turret punching and brake presses for high-accuracy production. They offer fittings, support brackets, and a full design and manufacturing service across New Zealand, making them suitable for complex or bespoke projects. Steel & Tube offers the EzyTray range, which includes cable trays and ladders suitable for all cable containment needs. They provide full take-offs from plans to quotations, and their products are compatible with BIM-enabled 2D and 3D CAD files. Steel & Tube also integrates with MASTERSPEC and SMARTSPEC for specification-ready documentation, supporting both commercial and industrial projects. FDG provides a comprehensive range of cable trays, ladders, baskets, and support products. Their products are available in Pre-Galv, Hot Dip Galv, and custom-painted finishes, and they offer modular, adjustable, and configurable systems. FDG emphasizes ease of installation, future maintenance access, and compatibility with FDG Modframe™ and STRUT™ systems. They also provide engineering data and support for project-specific requirements. Ideal Electrical Suppliers stocks a wide variety of cable trays and electrical supply products across New Zealand. While primarily a distributor, they offer convenient online ordering and nationwide store access, making them a practical option for standard cable tray solutions. Summary For projects in New Zealand, the...
