

Qidu Optical Cable Manufacturer

AI Overview

Jiangsu Hengtong Wire & Cable Technology Co., Ltd., located in Qidu Industrial Zone, Wujiang, China, is a leading manufacturer of optical cables and communication wire products. Company Overview Jiangsu Hengtong Wire & Cable Technology Co., Ltd. is the core subsidiary of Hengtong Group, a major international enterprise in optical fiber and power cable manufacturing. The Qidu facility is part of the State Torch Program photoelectric cable production base, approximately 90 kilometers from Shanghai. The company employs over 1,100 staff and has fixed assets of about RMB 126 million (USD 17 million), with annual sales around RMB 900 million (USD 123 million). Products and Capabilities The company specializes in a wide range of optical and communication cables, including: Optical fiber cables and OPGW (Optical Ground Wire) Communication cables, data cables, and control cables XDSL cables and railway digital signal cables Customized solutions according to international standards (IEC, BS, DIN, JIS, ASTM, ANSI, NF, CAN) and Chinese GB standards Jiangsu Hengtong emphasizes research and development, investing approximately 5% of annual revenue into new product development and team building. The company also provides system solutions for communication engineering, including design, construction, testing, and technical training. Market Presence Hengtong Group, the parent company, is one of the top three optical fiber communication enterprises globally, holding about 25% of the Chinese market share and 15% of the international market share. The Qidu facility contributes to this global reach, supplying products to over 150 countries and regions and supporting international expansion through Hengtong's Hong Kong and Shanghai offices. Certifications and Standards Jiangsu Hengtong's products comply with both domestic and international standards, ensuring quality and reliability for global clients. The company can also customize products to meet specific customer requirements. Summary For businesses or organ...
