

Singaporean manufacturers selling outdoor server racks

AI Overview

D-NEXUS, Cybermax, and Server-Rack.com.sg are leading Singaporean manufacturers and suppliers of high-quality server racks suitable for outdoor or industrial applications. Key Manufacturers and Suppliers

1. D-NEXUS / Vboz Racks D-NEXUS manufactures Vboz server racks locally in Singapore, offering a wide range of sizes and designs suitable for servers from Apple, HP, Dell, IBM, and more. Their racks include wall-mount and floor-standing cabinets with adjustable vertical rails, swiveling wheels, and high load capacities (up to 500kg dynamic / 1500kg static). While primarily designed for indoor use, their robust construction and customizable features make them adaptable for outdoor or semi-exposed environments with proper weatherproofing.
2. Cybermax Cybermax specializes in server cabinets and racks with advanced cooling and power distribution solutions. Their 42U enclosed server racks and cabinets are designed for high-density IT setups and can be customized for outdoor deployment with additional protective enclosures. Cybermax emphasizes airflow optimization and energy efficiency, which is critical for outdoor installations where temperature control is a concern.
3. Server-Rack.com.sg This supplier offers a comprehensive range of SPCC cold-rolled steel server racks, from compact 6U wall-mount units to 42U standing racks. Their racks are designed for durability, protection, and scalability, making them suitable for outdoor or industrial applications when paired with weatherproofing measures. They also provide accessories like cable management arms and power distribution units to support outdoor IT infrastructure.

Considerations for Outdoor Server Racks

Weatherproofing: Ensure racks are rated for outdoor use (IP-rated enclosures) or add protective covers.

Cooling: Outdoor racks may require additional ventilation or active cooling t...
