

Stainless Steel Cable Tray Distributors

AI Overview

Electrix, Niedax Group, Thomas & Betts, and multiple specialized suppliers provide high-quality stainless steel cable tray systems worldwide. Leading Manufacturers and Distributors

Electrix International is a prominent European manufacturer of stainless steel wire basket and cable tray systems, offering medium to heavy-duty trays, straight edge, return flange, and wire basket designs. They provide over 5,000 lengths in stock, daily dispatches worldwide, and custom solutions with turnaround in as little as 7 working days. Electrix serves major clients like Mars, Coca-Cola, and Pfizer, emphasizing durability, corrosion resistance, and long product life . Niedax Group offers a comprehensive portfolio of cable management systems, including stainless steel trays, steel, aluminium, PVC, and GRP solutions. They provide full-service support, including technical consulting, planning, and installation, with operations in over 30 countries. Their brands, such as Rico Engineering, specialize in complex industrial and energy projects, ensuring tailored solutions for large-scale installations . Thomas & Betts supplies a wide range of cable tray wiring systems designed for reliability, adaptability, and low maintenance. Their systems are cost-effective alternatives to conduit piping, offering flexibility for future modifications and minimizing safety risks associated with other wiring methods . Other Notable Suppliers include: OBO Bettermann, Ebo Systems, By CARPEL – offering perforated and wire mesh stainless steel trays with various finishes and sizes . Automation Systems Interconnect, P-W Industries, Hubbell Inc, Cable Management Solutions, Chalfant Manufacturing, Patel Screen Industries, Onsel Ltd – providing modular, ladder, and perforated stainless steel cable trays for industrial and commercial applications .
