

Tajikistan Box-type Electrical Distribution Box

AI Overview

Tajikistan offers a wide range of electrical distribution boxes, including LT panels, load management panels, outdoor panels, marshalling panels, and DIN rail terminal boxes from multiple manufacturers.

Key Types and Models

- 1. Metal-Clad Draw-Out AC Enclosed Switchgear (GZS1 Type)**
Indoor medium-voltage switchgear suitable for industrial, mining, residential, and high-rise buildings. Used in power plants, substations, and large commercial facilities. Provides complete power distribution and protection functions.
- 2. Terminal Distribution Boxes**
Example: 500V, 125A, 4-level single DIN rail terminal box. Designed for modular installation and easy wiring. Available through platforms like Desertcart with delivery across Tajikistan.
- 3. Power Distribution Panels**
Low-Tension (LT) Distribution Panels, Load Management Panels, Outdoor Power Panels, Marshalling Panels, Power Control Panels. Manufactured and supplied by companies like Brilltech Engineers Pvt. Ltd, with customization options for voltage, current rating, and enclosure type.
- 4. Bus Ducts and Cable Trays**
Sheet metal ducts for conducting electricity to power cables. Cable trays for structured wiring systems. Often integrated with distribution panels for industrial and commercial installations.
- 5. Generator and Transformer Integration Panels**
Panels designed to interface with diesel, gas, or silent generator sets. Transformer-compatible panels for step-up or step-down voltage distribution.

Suppliers and Manufacturers in Tajikistan

- Brilltech Engineers Pvt. Ltd:** Offers a full range of electrical panels, bus ducts, transformers, and generator sets with customization options.
- Dongfeng / City Product Center:** Provides GZS1 type switchgear and various distribution boxes.
- Desertcart Tajikistan:** International e-commerce platform offering terminal distribution boxes and other electrical enclosures.
- Local Electrical Companies Directory:** Lists multiple distributor...
