

What are some wire mesh cable tray companies in Western Europe

AI Overview

Leading wire mesh cable tray manufacturers in Western Europe include Valdinox (Spain), Niedax Group (Germany), Trayco (Belgium), Eurotray (Turkey/Europe), and OBO Bettermann (Portugal). Key Companies

Valdinox (Spain) – Specializes in wire mesh cable trays with the EASYCONNECT® system, designed for fast installation, robust performance, and long service life. They offer basket trays and accessories for industrial and commercial applications, fully compliant with EN and IEC standards.

Niedax Group (Germany) – A century-old company providing a wide range of cable management solutions, including wire mesh trays, ladder trays, and perforated trays. They serve industrial, commercial, and infrastructure projects across Europe, emphasizing quality, durability, and compliance with European standards.

Trayco (Belgium) – Produces and optimizes wire mesh trays, cable ladders, and mounting systems. Trayco also provides project consulting and tailored solutions for cable support systems, focusing on efficiency and installation guidance.

Eurotray (Turkey/Europe) – Offers a comprehensive range of cable trays, ladders, and wire mesh trays suitable for large-scale installations. Their products are durable, cost-effective, and meet European and international standards, serving power generation, commercial, and industrial sectors.

OBO Bettermann Portugal – Part of the global OBO Bettermann Group, providing corrosion-resistant cable trays, supports, and fastening systems. Their wire mesh trays are designed for industrial and commercial environments, ensuring safety and adaptability.

Considerations for Selection

Compliance: Ensure products meet EN and IEC standards for safety and durability.

Application: Choose based on environment (industrial, commercial, infrastructure) and load requirements.

Support Services: Some companies, like Trayco...
