

Where can I buy bundled indoor optical fiber cables

AI Overview

You can purchase bundled indoor optical fiber cables from specialized suppliers like Fiber4u, Weichuang Optics, NewYork Cables, and FindLight, which offer a wide range of indoor fiber solutions with bulk and customizable options. Recommended Suppliers

- 1. Fiber4u** Fiber4u offers high-performance Optical Building Cables (OBC) for indoor use, including OBC 1x1 and OBC 1x2 varieties suitable for GPON and drop cable applications. They provide worldwide delivery, competitive pricing, and durable cables designed for long-lasting indoor performance. Fiber4u also supports project-based pricing and detailed technical guidance for in-building fiber networks .
- 2. Weichuang Optics** Weichuang Optics specializes in bulk indoor fiber optic cables, featuring multiple sub-cables and tight buffer fibers. Their products include 4, 6, 8, and 12 sub-cable bundles, each containing 6 or 12 tight buffer fibers. These cables are flame-retardant, suitable for single-mode (SM) and multimode (MM) fibers, and designed for seamless indoor connectivity .
- 3. NewYork Cables** NewYork Cables provides a wide selection of single-mode and multimode fiber optic cables, including bundled options. They offer bulk discounts, free shipping on qualifying orders, and a variety of cable accessories, making them a convenient choice for both small and large-scale indoor networking projects .
- 4. FindLight** FindLight aggregates products from over 120 global suppliers, offering customizable bundled fiber optic cables for indoor applications. You can select cable length, connectors, and jacketing to meet specific project requirements. This platform is ideal for comparing multiple suppliers and finding high-performance indoor fiber solutions .
