

Which company makes the best lighting distribution boxes in New Zealand

AI Overview

Clive Wilson Switchboards and Vynco are among the top manufacturers of lighting distribution boxes in New Zealand, offering high-quality, custom-built solutions for commercial and industrial applications. Clive Wilson Switchboards, based in Invercargill, has been manufacturing custom lighting and power distribution boards since 1971. They specialize in commercial and industrial installations, from single sub-distribution boards to multi-panel systems. Their boards are built to AS/NZS 61439 standards and can be customized to your electrical engineer's specifications, ensuring compliance and safety. They use Schneider Prisma G and Prisma P platforms and Simotrol enclosures for larger installations, providing robust and reliable solutions nationwide. Vynco is a leading designer, distributor, and manufacturer of electrical components in New Zealand, including distribution boxes for domestic, commercial, and industrial markets. They offer a wide range of products suitable for various applications, ensuring quality and local support. HELLA LED Lamp Distribution Box For specialized applications, such as vehicles or custom LED lighting setups, HELLA provides LED Lamp Distribution Boxes with integrated Deutsch DT connectors. These boxes are designed for quick installation, circuit isolation, and durability, featuring IP6K9K-rated housings for protection against water, dust, and high-pressure cleaning. Key Considerations When choosing a lighting distribution box manufacturer in New Zealand, consider: Compliance with local standards (AS/NZS 61439) Customization options for your specific project Durability and protection against environmental factors Nationwide service and support for installation and maintenance For most commercial and industrial projects, Clive Wilson Switchboards is highly recommended.
