

Wholesale Price List for Mesh Cable Trays

AI Overview

Wholesale mesh cable trays typically range from \$0.80 to \$76 per unit, depending on size, material, and bulk order volume. Pricing Overview Wholesale mesh cable trays are available at factory-direct prices through B2B platforms and manufacturers. For industrial and commercial applications, prices vary based on material (stainless steel, galvanized steel, or coated metals), dimensions, and load capacity. On platforms like Alibaba, prices can start as low as \$0.80 per tray for smaller or simpler designs, while larger, heavy-duty trays can exceed \$70 per unit. Supplier Options Global Sources offers a wide range of mesh cable trays with low minimum order quantities (MOQs) and direct factory pricing, covering plastic, PVC, ABS, and metal trays suitable for industrial and home use. Shanghai Qiongkai Industry Co., Ltd. provides a comprehensive wire mesh cable tray price list with wholesale options directly from the factory, emphasizing durability and competitive pricing. Alibaba suppliers like Ningbo Lepin Network offer custom-sized 304 stainless steel trays with CE certification, 10-year guarantees, and free samples, ideal for large-scale projects. Factors Affecting Wholesale Costs Material Type: Stainless steel trays are more expensive than galvanized or powder-coated steel. Tray Size and Load Capacity: Larger trays or those designed for heavy-duty industrial use cost more. Bulk Orders: Higher volume purchases significantly reduce per-unit costs. Customization: Custom dimensions, coatings, or perforation patterns can increase prices. Shipping and Import Fees: International suppliers may add freight and customs costs. Practical Considerations For B2B buyers, sourcing directly from manufacturers or platforms like Alibaba and Global Sources ensures lower per-unit costs and access to bulk discounts. Prices for small-scale consumer products on Amazon range from \$15 to \$34, but wholesale industrial trays are far cheaper per unit, reflecting bulk purchasing advantages. By comparing suppliers, material specifications, and order...
