

Wholesale price of double-channel cable trays

AI Overview

Double-channel cable trays typically range from \$1.20 to \$7.83 per unit for standard sizes, with prices varying by material, design, and supplier. Price Overview Alibaba Listings: 2-channel cable trays are available in steel (galvanized or powder-coated) and aluminum, with prices ranging from \$1.20 to \$7.83 per tray depending on size, material, and design features such as perforation or ladder-style construction. B2B Bulk Pricing: For large-scale purchases, prices can range from \$0.80 to over \$76 per unit, reflecting variations in material, load capacity, and supplier discounts. Hot-Dip Galvanized Ladder Type: Standard 2.4-meter lengths are commonly priced per unit, with fittings (elbows, tees, reducers) priced individually. Material and Design Impact on Price Steel (Galvanized or Powder-Coated): Offers high strength and durability, suitable for heavy-duty indoor and outdoor applications. Typically mid-range in cost. Aluminum: Lightweight and corrosion-resistant, ideal for coastal or marine environments. Slightly higher cost due to material properties. Stainless Steel (SS 304): Fireproof and highly corrosion-resistant, often used in industrial or high-risk environments; prices are at the higher end of the spectrum. Design Variations: Ladder-style trays, perforated trays, and wire mesh trays may affect pricing due to manufacturing complexity and ventilation features. Additional Considerations Installation Costs: Fast assembly designs reduce labor costs, but complex routing or high-load applications may require additional support hardware. Compliance and Safety: Fire-rated coatings, grounding, and proper cable segregation are essential for safety and may influence overall project cost. Supplier Options: Major suppliers include Alibaba, Eurostrut, and regional distributors, offering both retail and bulk pricing options. Summary For budgeting purposes, expect stand...
