

Xiaomi fiber optic box

Overview

Fibre-optic full-gigabit for high-speed broadband over 100 Mbps The Mi Router 4A Gigabit Edition features one gigabit WAN port and 2 gigabit LAN ports, easily achieving network speeds of 100 Mbps and above. Compared with 100-megabit ports, this allows you better utilise every megabit of bandwidth. The sophisticated appearance and compact size of the white minimalist design blend in seamlessly with your home decor. It is particularly suitable for large home users and enhances the ambiance of your living space. With the 2-pack or 3-pack versions, all the units are paired before leaving the. HIGH SPEED & PERFORMANCE Supports speeds up to 1200Mbps with dual band (2.4GHz/5GHz). Xiaomi Mi Fibre Router performs effectively in real-world setups, delivering strong dual-band coverage, supporting fast fibre broadband, maintaining low latency for gaming, and proving durable under sustained use in homes with challenging layouts. Disclaimer: This content is provided by third-party. The Fiber Optic Box MDB M is a durable fiber optic box, designed with the highly flexible FibeRoad™ System inside. The engineered design provides IP65 protection.
